

Nexdo Adventours Ltd — Site Handover Document

Prepared for the site owner. All key details for full ownership and management of nexdoadventours.com.

1. Website Overview

URL: <https://nexdoadventours.com>

Domain: Registered via Netlify Registrar, DNS managed in Netlify DNS

Hosting: GitHub Pages (free, unlimited) — auto-deploys on push to master branch

Repository: <https://github.com/NexdoAdventours/Nexdoadventours>

2. Admin Panel (Decap CMS)

URL: <https://nexdoadventours.com/admin/>

How to log in to the admin panel:

1. Go to <https://nexdoadventours.com/admin/>
2. Click "Login with Netlify Identity"
3. A GitHub login page will open — click "Authorize Netlify"
4. You're in. You can now edit: Site Settings, Blog Posts, Gallery, Reviews, FAQs

That's it. No username/password — it uses the GitHub account you already have.

3. GitHub Repository

Account: NexdoAdventours (requires login credentials)

Repo: <https://github.com/NexdoAdventours/Nexdoadventours>

Push to master → auto-deploys to nexdoadventours.com in 1-2 minutes.
